### Notice of Business Alliance with Pacific Consultants Co., Ltd.

We have decided to form a business alliance with Pacific Consultants Co., Ltd. as of today, and are pleased to announce the following.

#### 1. Purpose of Business Alliance

- (1) OHBA and Pacific Consultants Co., Ltd. have a long history of working together on a variety of infrastructure projects to resolve social issues since our collaboration in reconstruction operations following the Great East Japan Earthquake.
- (2) We have concluded this business alliance with the aim of providing even more optimized services to address a diverse range of social issues, such as complex infrastructure projects, responding to intensifying natural disasters, and recovery and reconstruction projects, by mutually complementing and utilizing the technologies, knowledge, experience, and personnel systems possessed by both companies.

#### 2. Scope of Alliance

- (1) Collaborative project formation and project participation will be undertaken by utilizing the strengths of both companies in large-scale projects, such as national measures to bring about solutions for various social issues, infrastructure projects that are becoming even more integrated and complex, projects for sustainable urban development, and projects related to responding to intensifying natural disasters and recovery and reconstruction.
- (2) The two companies will mutually supplement and utilize their technologies, knowledge, experience, and personnel systems to collaborate and promote new businesses with the aim of expanding their business bases.
- (3) The two companies will promote personnel exchanges and training in order to form the above-mentioned projects, participate in the projects, and expand their business bases.
